

TYLENOL SCHOLARSHIP

\$250,000 IN SCHOLARSHIPS

Tuition Assistance for Healthcare Students

The makers of TYLENOL realize that education costs are rising steeply, making it difficult for students and parents to keep up.

That's why, in 2009, we will be awarding a total of \$250,000 in scholarship money to outstanding students who are pursuing health-related studies.

Go to Tylenol.com/scholarship (use access key TYNL) for applications and information.

We understand that while medicine may treat the condition, it takes dedicated people to treat the patient.

Application Deadline: May 15, 2008
