

Notice of Veteran Student Advisement by Term

The Department of Veteran's Affairs requires AASU to certify that all courses paid for from VA entitlement funds meet VA guidelines for reimbursement.

General guidelines are as follows:

- Course(s) must be used to meet designated degree/major requirements (includes declared minors, ROTC, certificates).
- Course(s) must NOT be used to meet PE requirements, for voluntary Learning Support enrollment, or to repeat a course for which the student has already earned an acceptable grade.

This form and a copy of the student's schedule must be turned in to the AASU VA office each term prior to VA certification.
